

The Practical and the Ideal

Alberta Pool Elevators is a creation of the agricultural co-operative movement, and as such is closely knit to the families on the land who believe in and

The major function of this extensive country and terminal elevator system owned by Alberta farmers is to help them meet their natural aspirations for a more

Both the practical and the ideal sides of the farm movement are united in Alberta Pool Elevators, and the latter is the only farm movement in Canada that extends to the coast.

on this basis a general appeal for support is extended to all grain growers.
